

Class 51: Project Assessment: Algorithms

Held: Wednesday, May 5, 2010

Summary: We continue our exploration of the project by considering some of the coding techniques used.

Related Pages:

- EBoard.
- Due: Exam 3.

Notes:

- Since you'll be working on the exam, there is no reading for Friday.
- Questions on the exam?
- EC for Convo tomorrow.
- EC for CS Table Friday.
- EC for Belly Dancing Sunday at 1:30.

Overview:

- Debriefing from yesterday.
- Students discuss programming techniques.

Debriefing

- What did you learn from yesterday's discussion?
- Do you want to discuss any other images?

Considering Project Code

- We'll start looking at processes used to create these images.
 - You'll pick some images that you want to know about.
 - The authors will describe their code.
 - Once in a while, we'll even run it (if possible).
- If there's time, I'll pick on some of your code.
