Class 25: Preliminary Discussion of Mid-Semester Examination

Held: Monday, April 2, 2007

Summary: Today we consider key issues from the mid-semester examination.

Related Pages:
- EBoard.

Notes:
- Since there were significant problems on the exam, we should decide what to do about those problems.

Overview:
- General Issues.
- Problem 1.
- Problem 2.
- Problem 3.
- Problem 4.

General Issues
- You folks had a lot of problems with the exam, so we’ll spend as much time as necessary going over the exam.
- Since I’ve had problems with people finding answer keys online, I’ll do most of my work without providing a permanent record.
  - You may request any solution via email.
