

Class 13: Transforming Images

Held: Friday, 18 September 2009

Summary: Today we consider some basic control structures that will allow us to write more general image filters.

Related Pages:

- EBoard.
- Lab: Transforming Images.
- Reading: Transforming Images.

Notes:

- Time reserved for questions on Exam 1 and Writeup 3.
- Okay, I'm going to try to use less time on administrivia and introductory remarks so that you have more time for lab. Really I am.
- Reading for Monday: Documenting Your Procedures.
- I will go over an efficient solution to the checkerboard problem on Monday. You may not discuss that solution with others.
- After the quiz, start the lab.

Overview:

- Transforming images by transforming each pixel.
- Sequencing transformations with compose.
- Anonymous transformations.
