### Admin

- For the assignment, you do not need to grab the JSON from the Web. Assume that it's in a string. (In your experiments, you can just load that string from a file, or use a predefined string, or ...)
- Something fun you might like to contribute to <https://github.com/kyledreger/1000-nights>
- Upcoming extra credit opportunities:
  - *One Grinnell* rally today at 4pm (unless you are taking photos).
  - Any self-care week activity.
  - Learning from Alumni Thursday: Erik Hanson (in person)
  - CS Extras Thursday: Summer opportunities in CS.
  - CS Table Friday: Beyond Efficiency.
  - Swim meet Friday and Saturday.
