Notes:

- I understand that Assignment 2 took somewhat longer than I'd anticipated. What were the hurdles?
- Assignment 3 is now ready.
- EC for CS table today.

Overview:

- Why Io?
- Lab.

Io

- Why study Io?
 - A different model of object-oriented programming.
 - Reveals the underlying implementation a bit more.
 - Fun with minimalist syntax.
 - Fun with operators.

Lab

- Do The lab.
- Be prepared to reflect.
