CSC323 2010S *Software Design*

Assignment 3: Use Cases

Assigned: Thursday, February 11, 2010
Due: 1:15 p.m., Tuesday, February 16, 2010

Summary: In this assignment, you will develop a few use cases.

Purposes: To encourage you to think more about use cases.

Expected Time: Two to three hours.

Collaboration: You may work in groups of up to size four. You may also work individually. You may talk to whoever you wish about this assignment, provided you cite appropriately. I would prefer that you not search for answers on the Internet.

Submitting: Email me your answers. Use a title of `CSC 323: Assignment 3`.

Warning: So that this assignment is a learning experience for everyone, I am likely to spend class time publicly critiquing your work.

Assignment

In class, we discussed a few possible use cases for the new Grinnell.edu site. Create three more use cases.
