CSC323 2010S *Software Design*

Class 18: Project Status Day

Held: Thursday, April 8, 2010

Summary: We consider how far we've gotten, and what we've learned in getting that far.

Related Pages:

- EBoard.

Notes:

- Reading for Tuesday: Chapters 6 and 7 of Head First OO&D.
- Don't forget the talks today and tomorrow.
- Additional goal for next Thursday: An additional six hours of work per person (log your hours and tasks).
- Please don't forget those reading responses.

Overview:

- Exercise: Comparing Status.
- Full Group: What We've Learned.
- Detour: Sockets.
- Exercise: Combining Projects.

Project: Exercise

- Make three groups of four people (ensure that you have someone from each of the three prior teams).
- Compare what you've done
  - What is similar?
  - What is different?
  - What is best?
  - What do you anticipate doing next?

Project: Status

- Tell me a bit about your process. Where did you start? What did you accomplish?
- Report back on what you've found in your group discussions.
- What do you see as the important next steps?

Sockets, Revisited

- We'll go over the questions and comments you had on the reading.

Project: Work Time

- New groups! (From part 1.)
- Create a new project with the "best" of what each group had.
- Add any missing unit tests.
